## About AHDB Agriculture and Horticulture Development Board

---

---

**The Agriculture and Horticulture Development Board (AHDB)** is a statutory levy board, funded by farmers, growers and others in the supply chain and managed as an independent organisation (independent of both commercial industry and of Government). AHDB's purpose is to inspire their farmers, growers and industry to succeed in a rapidly changing world. AHDB's vision, is for a world-class food and farming industry inspired by and competing with the best. Levy payers are at the heart of what AHDB do. Their delivery of services is focused on six sectors covering about 72% of total agricultural output in the UK.

**AHDB Beef & Lamb enables English beef and lamb farmers and supply chains to thrive and prosper in a rapidly changing world as independent information provider through:**

Identifying consumer trends and promoting quality assured beef and lamb from England at home and abroad: AHDB has played a key role in re-establishing UK beef exports from zero in 2007 to exporting 18% of UK total production to markets around the world today. AHDB have also been instrumental in developing new markets for sheep meat exports and maintaining demand at 35% of production. AHDB marketing team runs targeted campaigns to encourage modern consumers to cook with beef and lamb. To find out more please contact your regional AHDB Agent, or DIT Trade Officer.
